Business Studies

COURSES

Business Studies at university will cover a very wide spectrum of possibilities. It will be very important to research the content and entry requirements carefully, to make sure you know what you are applying for. For instance, some Business Studies courses will want an A level in Maths as an entry requirement, whilst others might prefer a language if it involves any study abroad.

Business Studies courses will range from Accountancy, Human Researches, Equine Business, Business Management, International Business and agriculture business.

In addition to the range of Business related degrees on offer, these subjects can also be combined with several different subjects, from languages to economics and others.
