

The Brentwood Ursuline Alumnae Society Reunion 2017

The event, on Sunday May 14th, gave Society members the opportunity to catch up with friends and enjoy a cup of tea. There was also the opportunity to browse the archives in the school library.

Invited guest speaker this year was Mrs Vicky Davies (nee Heard) past Mayor of Brentwood 2014-15.

Ex pupil, Vicky, gave an entertaining talk about her early life as a staff nurse in an east London hospital and more latterly, about her involvement with local borough council, plus consultancy and charity work.

The meeting in the chapel which concluded with the singing of the school song was followed by tea in the dining hall.

Pictured below are some pictures of the afternoon including the helpers enjoying a well-deserved break after serving to tea to the Alumnae visitors
